

Watertown's Roger Swenson, who drives modified racer number 06, is a favorite among Huron racing fans who have attended the SDMA races here at the Fairgrounds Speedway this summer.

Always a strong competitor,

Steve Danburg, No. 111, Miller

Swenson's style resembles that of Miller driver Willie Yost is that he is never in a hurry to make his move. This tactic has paid off in valuable dividends as he waits for the man ahead of him to make a wrong move.

Twenty-one year old Steve Danburg, Miller, is in his first year of automobile racing and he has taken to the sport like a duck takes to water.

Always a tough runner at Huron's Fairgrounds Speedway one-

half mile oval, Danburg has a 265-cubic inch 1956 Chevrolet.

Another hard-running Miller racer to watch for in the next few years, Steve is 21 years old, married and has two children.
